PLEASE TELL US ABOUT YOU				
Loan Account Number	Member Name: First	MI	Last	Suffix
Phone Number	Email Address			

I/We acknowledge this request to skip one loan payment on the loan identified above and change our next due date from _____ to _____. I/We fully understand that interest will continue to accrue on the unpaid balance from the date of last payment, that this extension is not a release from responsibility for the interest accrued during the month payment is skipped, and that interest will be collected at the time my next regular loan payment is made. The provisions of the original loan agreement remain in full force and effect. Choosing a skip payment option will extend the maturity of the loan and increase the total finance charge paid. I/We agree that I/We will resume making scheduled payments beginning with the payment due the month following the deferral and will make all payments due thereafter. **I/We also understand that if I/We have GAP coverage on my vehicle loan, the skipped payment(s) on that loan may affect the benefit amount. Any forms not completed in full will not be processed.**
